

COOLMUNDA TRAIL

Drive west and visit!

Coffee, art, farm tours, history and nature experiences – make sure you take the time to explore Inglewood. Whether you are looking for a day trip, a weekend away, or a stop along the way, Inglewood is easily accessible (under 90 mins) from Stanthorpe, Toowoomba or Goondiwindi.

Drop in and enjoy a coffee and treat amongst the art and nature at CCs café at Greenup before you head over to wander through the picturesque Olive Grove and work up an appetite for an olive tasting. Visit the beautiful Lady of the Lake emporium of wonder where you can always find a unique gift, before heading over to rest along the banks of Lake Coolmunda at the caravan park where you can bring your own home for the night or stay in one of their comfortable cabins. The following day could easily start with a bush walk, fish or kayak on Lake Coolmunda, and then you can set off on a trip down history lane to the fascinating Inglewood Tobacco & Heritage Museum. What better way to wrap up your Inglewood adventure than relaxing with a cup of tea or coffee with the farmer as you explore a working Lavender Farm.
